## EXPERIENCE

**IRVING MATERIALS INC** | APRIL 2022 – AUG 2022

### Solutions Developer Intern

- Delivered a business application to automate data for the sales team that increased efficiency and time management by working autonomously with team members and product managers from conception to deployment
- Created business application solutions by making architectural and design decisions that led to improved business performance across multiple departments and enhanced usability which reduced inaccurate data collection
- Selected as a project lead for a landing page design solution and worked closely with the marketing team from wireframing to deployment to deliver an effective product that met all expectations
- Created componentized frontend development in ReactJS that increased productivity

**CODE NINJAS** | OCT 2021 – APRIL 2022

### Lead Game Development Tutor

- Led business tours and recruited over 20 new members
- Supervised employees and mentored children (6-14) in computer science to help them learn to code, solve problems, and achieve their goals
- Regularly discussed children's progress with parents to build rapport and maintain long-term memberships

**INDIANA UNIVERSITY** | OCT 2021 – JUNE 2022

### Graphic Design Assistant

- Redesigned 30+ program cards for digital and print to improve user experience and readability
- Concepted and designed graphics for 50+ digital and print projects used for websites, advertisements, and landing pages using Adobe Software

**JACK OF THE WOOD** | JULY 2017 – SEPT 2019

### Bartender / Bar Manager

- 8+ years of professional experience in customer service and hospitality with consistency as the top seller on a weekly basis for 2 years
- Created computer system functions that stored inventory and improved time management and increased sales
